Written Testimony

Current westbound traffic nearby Red Hill/Moanalua area is extremely congested on Moanalua Road during 3:00 and 7:00 pm on weekdays. The two lane Moanalua Road westbound road from Moanalua valley to the top of Red Hill is congested due to the everyday traffic pattern for residents of Red Hill, Aliamanu Military Reservation returning home and Moanalua/Salt Lake residents heading to west destinations. Work shift changes at Kaiser Hospital (both arriving and departing workers), and child pickup at the Assembly of God Church and Calvary Church heavily contributes to the traffic. Most of all, westbound vehicles use Moanalua Road fronting Kaiser as a way to by-pass the Moanalua Freeway during peak traffic. I live in Salt Lake and a 30 minute commute over a 200 yard stretch up Red Hill is typical. Any further development in the area must strongly consider the current unbearable traffic situation for the Moanalua, Salt Lake, and Aliamanu Communities.
